Enrolment expiry action	<input type="text" value="Disable course enrolment and remove roles"/>	Default: Disable course enrolment and remove roles

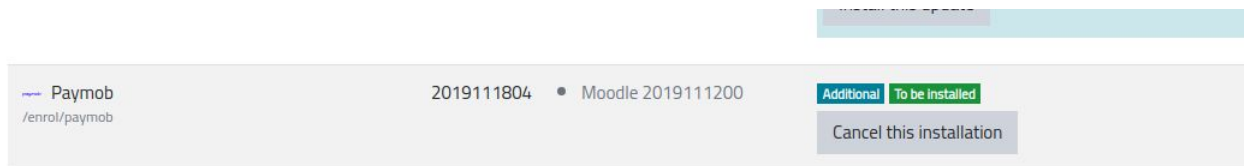

Steps for the plugin use: -

Plugin Setup :-

a) Upload zip

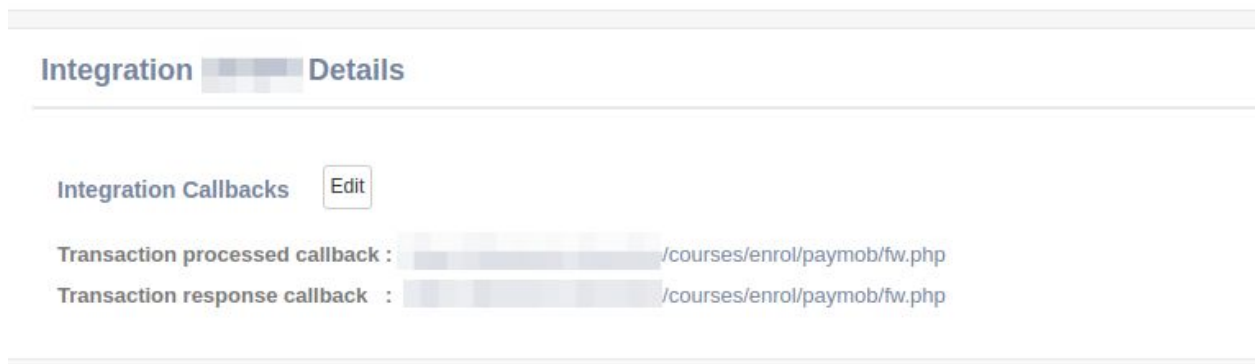

b)

c) Fill the detail , these details can be obtained from <https://portal.weaccept.co/>

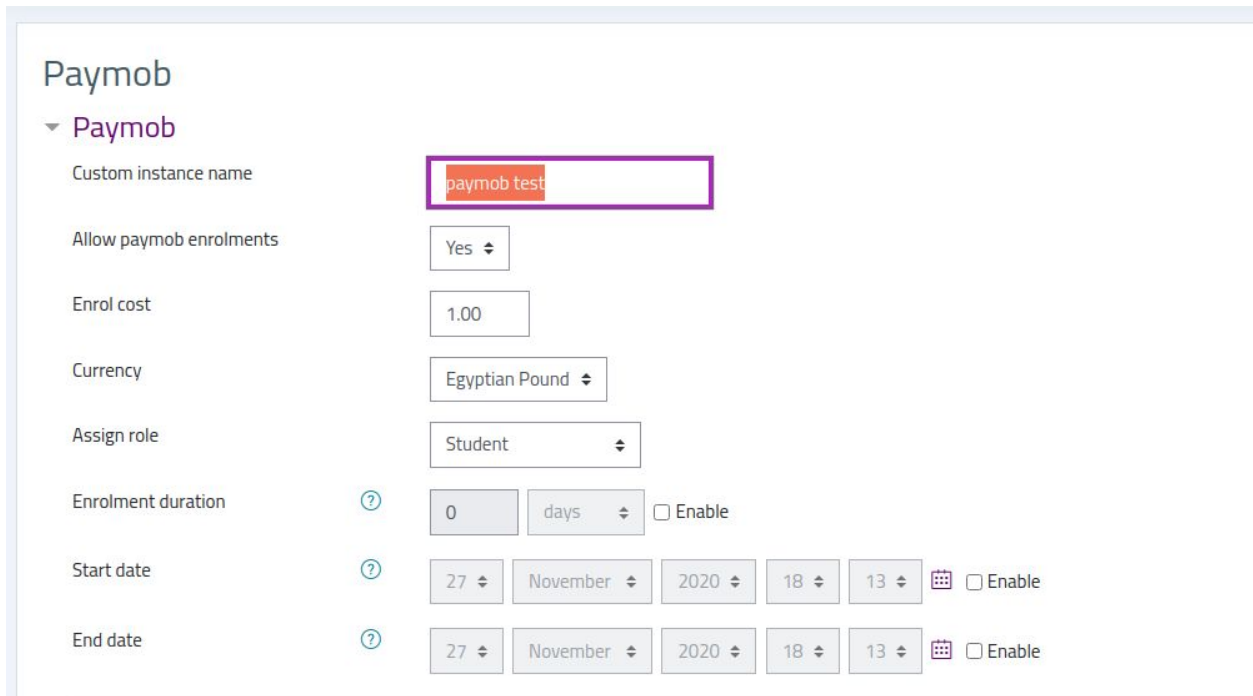

d) Also need to setup two callback url under integration at <https://portal.weaccept.co/>

Once setup, please enable the plugin in moodle under siteadministration > plugin > enrolments > paymob

Plugin Use :-

a) Setup enrolment method under course

The screenshot shows the Moodle configuration page for the Paymob enrolment method. The page has a light blue header with the title "Paymob". Below the header, there is a section titled "Paymob" with a dropdown arrow. The configuration options are as follows:

- Custom instance name:** A text input field containing "paymob test", which is highlighted with a red rectangular box.
- Allow paymob enrolments:** A dropdown menu set to "Yes".
- Enrol cost:** A text input field containing "1.00".
- Currency:** A dropdown menu set to "Egyptian Pound".
- Assign role:** A dropdown menu set to "Student".
- Enrolment duration:** A section with a question mark icon, a text input field containing "0", a dropdown menu set to "days", and an "Enable" checkbox.
- Start date:** A section with a question mark icon, a date picker set to "27 November 2020 18:13", and an "Enable" checkbox.
- End date:** A section with a question mark icon, a date picker set to "27 November 2020 18:13", and an "Enable" checkbox.

b) Student will see following screen

Enrolment options

This course requires a payment for entry.

paymob test

Cost: EGP 1.00
